Document Retention and Destruction Policy

I. Purpose
In accordance with 18 U.S.C. Section 1519 and the Sarbanes-Oxley Act, which makes it a crime to alter, cover up, falsify, or destroy any document with the intent of impeding or obstructing any official proceeding, NETA’s policy provides for the systematic review, retention and destruction of documents received or created by NETA in connection with the conduct of business. This policy covers all records and documents, regardless of physical form, contains guidelines for how long certain documents should be kept and how records should be destroyed. The policy is designed to ensure compliance with federal and state laws and regulations, to eliminate accidental or innocent destruction of records and to facilitate NETA’s operations by promoting efficiency and freeing up valuable storage space.

II. Document Retention

### III. Electronic Documents and Records
Electronic documents will be retained as if they were paper documents. Therefore, any electronic files, including records of donations made online, that fall into one of the document types on the above schedule will be maintained for the appropriate amount of time. If a user has sufficient reason to keep an email message, the message should be printed in hard copy and kept in the appropriate file or moved to an “archive” computer file folder. Backup and recovery methods will be tested on a regular basis.

### IV. Emergency Planning
NETA’s records will be stored in a safe, secure and accessible manner. Documents and financial files that are essential to keeping NETA operating in an emergency will be duplicated or backed up at least every week and maintained off site.
V. Document Destruction
NETA’s vice president of finance and business development is responsible for the ongoing process of identifying its records, which have met the required retention period and overseeing their destruction. Destruction of financial and personnel-related documents will be accomplished by shredding.

Document destruction will be suspended immediately, upon any indication of an official investigation or when a lawsuit is filed or appears imminent. Destruction will be reinstated upon conclusion of the investigation.

VI. Compliance
Failure on the part of employees to follow this policy can result in possible civil and criminal sanctions against NETA and its employees and possible disciplinary action against responsible individuals. The vice president of finance and business development and finance committee chairperson will periodically review these procedures with legal counsel or NETA’s certified public accounting firm to ensure that they are in compliance with new or revised regulations.
